

## **Acknowledgement of receipt of multiple complaint CHAP(2013)01917.**

The European Commission has received numerous complaints pointing to a possible infringement of European Union law concerning the application of Directive 1999/70/EC in the Spanish public sector, particularly as regards the situation of civil servants on temporary replacement contracts.

Given the high number of complaints received regarding this matter, the Commission has re-registered all of them under one single reference number, CHAP(2013)01917, and they will be treated as a multiple complaint.

As of today, all correspondence from the Commission with regard to your complaint will be published under the following link.
